Dear Madam:

Through Mrs. Edward A. White of Strafford, Pa., I have been informed of your interest in medals, and I am wondering if you have ever received an invitation to associate yourself with The American Numismatic Society.

As you doubtless know, we issue medals from time to time, and most of them are limited in circulation to our members - that is, they are not offered outside our membership.

The Medal issued to commemorate the visit of the Prince of Wales is an example; the subscription was limited to the Members of our Society and the Members of the Pilgrims of the United States, and the subscription closed on March 1st of this year.

I am venturing to enclose a folder describing the activities of our Society and an application card. If you care to avail yourself of this invitation, it will give me much pleasure to propose your name at the next meeting of our Council.

Very respectfully yours,

Secretary

Dear Mrs. Carpenter:-

Your letter of May 24th returning the signed application card for membership came this afternoon. I am very glad indeed that you will become an associate member of our Society, and wish to thank you for suggesting that an invitation be sent to your niece. This will go out in the same mail. We have two pamphlets which relate to medals which have been sent to all of our members who are interested in medallie art, and they may prove of interest.

I note that your summer address is Crystal Bay.

Very truly yours,

Secretary.

Dear Madam:

You once wrote asking for a copy of the Prince of Wales medal, should we ever have any turned back to us.

I now have a copy in silver and one in bronze. Do you still desire either of them?

You will recall that the silver copies are \$10 and the bronze \$5.

Very truly yours

Dear Mrs. Carpenter:

You are, of course, aware of the importance of
the Society's collection of Indian Peace Medals.

It has been the Society's aim for many years to
make this collection the best in existence, and the
opportunity to do so now presents itself.

The collection of the late W.W.C. Wilson, which
is to be sold in November, contains a large number of
Indian Peace Medals of unusual interest and importance.
Of these, about twenty are greatly desired as additions
toward perfecting the Society's collection. To the best
of our knowledge, four of these medals are unique.

The desired pieces will probably sell for from fif-
ty to five hundred dollars each, therefore the Society
requires a sum of not less than three thousand dollars
(\$3,000) for the purchase.

The Council feels warranted in making an appeal to
the members of the Society because of the exceptional
nature of this opportunity.

We shall be very grateful indeed for any help you
may give us at this time.

Very truly yours,

Edward T. Newell
President
